</tbody>
</table>

#### Cross Sector Collaboration

Does your organization identify community providers and referral agencies that have experience delivering evidence-based trauma services?

- Yes/no
  - If yes, please briefly describe
  - If no, what might be your next steps?

#### Screening, Assessment, Treatment Services

Is timely trauma-informed screening and assessment available and accessible to individuals receiving services?

- Yes/no
  - If yes, please briefly describe (instruments and process)
  - If no, what might be your next steps?

Does the organization have the capacity to provide trauma-specific treatment or refer to appropriate trauma-specific services? (between departments – agencies)

- Yes/no
  - If yes, please briefly describe
  - If no, what might be your next steps?

---

### SAMPLE QUESTIONS TO CONSIDER WHEN IMPLEMENTING A TRAUMA-INFORMED APPROACH

<table>
<thead>
<tr>
<th>Training and Workforce Development</th>
</tr>
</thead>
<tbody>
<tr>
<td>Progress Monitoring and Quality Assurance</td>
</tr>
<tr>
<td>Financing</td>
</tr>
<tr>
<td>Evaluation</td>
</tr>
</tbody>
</table>

Are peer supports integrated into the service delivery approach?
- Yes/no
  - If yes, please briefly describe
  - If no, what might be your next steps?

Does the agency address gender-based needs in the context of trauma screening, assessment, and treatment? For instance, are gender-specific trauma services and supports available for both men and women?
- Yes/no
  - If yes, please briefly describe
  - If no, what might be your next steps?

Do staff members talk with people about the range of trauma reactions and work to minimize feelings of fear or shame and to increase self-understanding (during screening and assessment)?
- Yes/no
  - If yes, please briefly describe
  - If no, what might be your next steps?

---
