

National Conference on Tackling Tobacco Use in Vulnerable Populations

The Central East Addiction Technology Transfer Center a program of the Danya Institute is pleased to invite the submission of poster abstracts for the 2015 National Conference on Tackling Tobacco Use in Vulnerable Populations Poster Presentation, to be held in Bethesda, Maryland, October 5-6, 2015.

The Poster Presentation session will highlight best practices and emerging concepts in research and projects, following the conference theme. This forum provides an opportunity to visually present research and project storyboards on areas such as:

1. Vulnerable populations and tobacco
 - a. Pregnant women & mothers
 - b. Persons with mental health, substance use, and co-occurring disorders
 - c. Individuals in a low socioeconomic status
 - d. LGBT community
 - e. Youth
2. Tobacco interventions and systems integration
 - a. Successful integration care models
 - b. Successful techniques used by different agencies
 - c. Sustainability of integration and outcomes
3. Health centers addressing tobacco use- FQHCs & Family Planning
4. Insurance Coverage (ACA): Tobacco Cessation and payer/provider relationship
6. Relapse prevention- Addressing the stages of relapse and prevention techniques
7. Electronic nicotine delivery devices
8. Research updates and promising practices on tobacco use and cessation tools

Posters will be displayed during the networking reception on Monday, October 5 between 4:30pm and 6:30pm. The poster session is open to all conference attendees. Presenting

authors will be stationed by their posters for the duration of the session to facilitate interaction with conference attendees, but the information contained on the poster should speak for itself.

[Please complete the online form](#) to submit a poster abstract for consideration at the 2015 Conference. Completed forms should be submitted [online](#) by August 3, 2015. Notification of your submission's status will be emailed by August 24, 2015, together with presentation instructions. [Click here to submit your poster abstract.](#)

Submission Guidelines

Abstract length:

- The entire abstract should consist of 300 - 500 words.
- Please be sure to check your abstract before submitting. Poster abstracts **will not** be edited for content.

Poster Requirements:

- The author will use one 40"x60" foam poster board(s) provided by The Institute. No tables will be provided.
- Adhesive materials, foam boards and a workspace will be available for assembling posters in the Conference staff office.

Registration and Travel Policy:

All presenters must be paid registrants of the National Conference on Tackling Tobacco Use in Vulnerable Populations. Expenses associated with the preparation, submission, and presentation of an abstract are the responsibility of the author/presenter.

Poster Presenter Release:

I understand that my presentation may be included in a conference summary or used in other ways deemed appropriate by the organizers of the Conference. I hereby grant The Institute permission to publish my poster abstract as part of the conference materials disseminated at the 2015 National Conference on Tackling Tobacco Use in Vulnerable Populations.

If you have any questions or concerns, please contact Alaina Hill, Program Manager at 240-645-1148 or email her at ahill@danyainstitute.org.
