Home-Based MST Therapist

The Crisis Intervention and Recovery Center (CIRC) has two openings for a Home Based MST Therapist within our Multi-Systemic Therapy Program. One therapist needed to serve Wayne County and another to serve the greater Stark County area. This program targets delinquent youth with mental health issues and their families using the evidenced-based nine (9) MST Principles. Clinicians focus on promoting behavior change in the youth's natural environment by providing intensive, home-based individualized services while working with low caseloads.

- Great Team Atmosphere
- Flexible schedule. Able to frequently work from home
- Encourage work/life balance

Qualifications:

- Candidates must have a current, unencumbered LSW, PC or MFT licensure in the state of Ohio.
- Demonstrated ability to meet direct service position requirements
- Experience participating on and interacting with a team
- Ability to work within a structured environment to ensure adherence to the evidence-based MST model

Please submit a cover letter and resume by June 9th to the contact information below:
